

COUNTY OF LOS ANGELES
DEPARTMENT OF PARKS AND RECREATION
"Creating Community Through People, Parks and Programs"

Russ Guiney, Director

June 20, 2006

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVE CERTAIN AGREEMENTS TO ALLOW FOR THE OPERATION AND
EXPANSION OF THE SENIOR CENTER AT WILLIAM S. HART PARK
(Fifth District - 3 Vote Matter)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the approval of the agreements and expansion of the existing Senior Center is categorically exempt from the California Environmental Quality Act (CEQA) according to Sections of the State CEQA Guidelines and Classes of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, cited herein.
2. Approve and instruct the Director of the Department of Parks and Recreation, acting as agent for the County of Los Angeles, to execute the attached Senior Center Community Development Block Grant (CDBG) Agreement.
3. Approve and instruct the Mayor, Los Angeles County, to execute the attached Operating Agreement between the County and the Santa Clarita Valley Committee on Aging (SCVCA) Inc., for the use and operation of the Senior Center at William S. Hart Park.
4. Find that the proposed Operating Agreement is necessary to meet the social needs of the population of the County pursuant to Government Code Section 26227.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Senior Center provides congregate and home-delivered meals, exercise classes, educational and social activities and events, housing and social service referrals, primary medical assessments and other services to 7,000 senior residents of the unincorporated communities of Agua Dulce, Castaic and Val Verde as well as the City of Santa Clarita. Located on the eastern edge of William S. Hart Park, at 22900 Market Street in the City of Santa Clarita, the SCVCA has operated the Senior Center since 1983.

The recommended actions would approve a (five) 5-year Operating Agreement including three (3) additional (five) 5-year option periods for a maximum term of (twenty) 20-years, with the SCVCA. The attached agreement provides for the use, operation, and maintenance of the Senior Center. The SCVCA will be responsible for all costs associated with the operation and maintenance of the interior of the Senior Center, all SCVCA equipment, and building fixtures.

The County will provide for maintenance of the Senior Center grounds, including the parking lots, paths and landscaped areas within the demised area. This will encompass the periodic maintenance of exterior plumbing, electrical and irrigation systems, fencing and the posting of regulatory signage. The County will also maintain the building structure and appurtenant fixed assets, subject to available funding appropriated thereto.

Community Development Block Grant Agreement

The second recommended action would approve and authorize the Director of the Department of Parks and Recreation to execute a Federal CDBG Agreement by and among the City, the County and the SCVCA to jointly fund an improvement project to expand the Senior Center.

The Senior Center is comprised of three buildings that presently encompass a total area of approximately 8,000 square feet in addition to parking for 125 vehicles and site landscaping. The Activity Room Addition Project (the Project) will add approximately 1,200 square feet to the main building of the Senior Center complex. The Project will include a conference room and two activity rooms that may be opened up into one larger room for meal service or other large scale activities. Each activity room will have an enclosed area of approximately 350 square feet.

Implementation of Strategic Plan Goals

The proposed agreements will further Board-approved County Strategic Plan Goal 1 (Service Excellence), Goal 4 (Fiscal Responsibility) and Goal 5 (Children and Families' Well-Being) through the provision of community programs and expansion of service facilities to seniors.

FISCAL IMPACT/FINANCING

Operating Agreement

Pursuant to the terms of the Operating Agreement, SCVCA will continue to provide programs that present senior citizens with social, educational and recreational experiences as well as provide meals and nutrition education. The Department currently provides the maintenance services as further described above as well as utilities from existing general fund resources. The Operating Agreement requires the SCVCA to assume responsibility to pay utility costs, as described below.

The transfer of responsibility to pay utilities will be phased in over a (two) 2-year period commencing on July 1, 2006. Based on the 1,200 square foot addition to the Senior Center, current utility rates and scheduled reimbursements from the SCVCA, the Department anticipates the following impact to the operating budget: In Fiscal Year 2006-07 the Department estimates a net change of \$12,000 decrease in net County cost; in Fiscal Year 2007-08 the Department estimates a \$24,000 decrease in net County cost.

In Fiscal Year 2008-09, the SCVCA will assume full responsibility for utility costs resulting in a reduction in appropriation and revenue of approximately \$36,000. The Department will work with the Chief Administrative Office to determine the appropriate adjustments to the operating budget.

Community Development Block Grant Agreement

The CDBG Agreement before your Board delineates the scope of the Project and the commitment of funds from the City of Santa Clarita, the SCVCA and \$30,000 from a CDBG Reimbursable Contract, approved by your Board on September 20, 2005, with the Department of Community and Senior Services. The City will provide \$244,265 from the City's allocation of CDBG funds. The County's and the City's sole monetary contribution toward the Project will be from the above identified CDBG funds. The SCVCA will fund the balance of the cost of the Project, currently estimated at \$6,000. This estimate is solely illustrative and does not constitute a cap on the SCVCA's obligations to fund the total cost of the Project estimated at \$280,265.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

William S. Hart Park is operated by the County of Los Angeles (County) Department of Parks and Recreation. The County is authorized by Government Code Section 26227 to make property that is not required for County use available to non-profit organizations for programs the County determines will benefit County residents. SCVCA is a non-profit organization that provides social, educational and recreational programs to seniors in the County unincorporated areas and the City of Santa Clarita. The site in which the SCVCA is using, is not and during the time of possession, will not be needed for County purposes.

Operating Agreement

The (five) 5-year Operating Agreement will be effective upon the first day of the month next succeeding approval by your Board and includes a County option to extend the agreement for up to three additional (five) 5-year periods.

The SCVCA has executed the attached agreement and will provide the required insurance policy naming the County of Los Angeles as an additional insured. Additionally, County Counsel has approved the Operating Agreement as to form.

Community Development Block Grant Agreement

The City of Santa Clarita and the SCVCA have executed the attached agreement. The CDBG Agreement will be effective upon execution by the Director of the Department of Parks and Recreation. The initial completion date for the Project is December 30, 2006. Ownership of all improvements constructed by the SCVCA will become the property of the County without compensation. The SCVCA's insurance policy names the County of Los Angeles as an additional insured. In addition, County Counsel has approved the CDBG Agreement as to form.

ENVIRONMENTAL DOCUMENTATION

The operation and improvement of the Senior Center is categorically exempt from CEQA according to Sections 15301 (e) (1) and 15323 of the State CEQA Guidelines and Classes 1 (g) (1) and 23 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. The above exemptions allow expansion of existing facilities and normal operation of the existing facility for public gatherings for which it was designed and where there is a history of the facility being used for the same or similar kind of purpose. A similar activity has been occurring for a period of at least (three) 3-years and that there is a reasonable expectation that the future occurrence of the activity would not represent a change in the operation of the facility.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the CDBG Agreement will fund the expansion of the Senior Center and will augment programs, activities and services offered to seniors. Approval of the Operating Agreement will allow the SCVCA to continue to use, operate, and maintain the Senior Center.

CONCLUSION

Please instruct the Executive Officer-Clerk of the Board to mail a certified copy of your Board's action in this matter, and one (1) fully executed original version of the Operating Agreement to Mr. Brad Berens, 22900 Market Street, Santa Clarita, CA 91321 and forward one (1) conformed copy each to the Department of Parks and Recreation and Chief Administrative Office.

Respectfully submitted,

Russ Guiney

For purposes of this paragraph, County consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under the Agreement shall be deductible, at County's sole discretion, against the claims which SCVCA may have against County.

10.2.2 Shareholders, partners, members, or other equity holders of SCVCA may transfer, sell, exchange, assign, or divest themselves of any interest that may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of SCVCA to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

Upon termination of this Agreement, SCVCA shall peaceably vacate the premises and any and all improvements located thereon and deliver up the same to County in a reasonably good condition, ordinary wear and tear excepted.

10.25 Taxes and Assessments

- 10.25.1 The property interest conveyed herein may be subject to real property taxation and/or assessment thereon, and in the event thereof, Contractor shall pay before delinquency all lawful taxes, including but not limited to possessory interest taxes, assessments, fees or charges which at any time may be levied by the State, County, City or any other tax or assessment-levying body upon the premises and any improvements located thereon.

10.25.2 Contractor shall also pay all taxes, assessments, fees and charges on goods, merchandise, fixtures, appliances and equipment owned or used therein.

10.26 Termination for Breach of Warranty to Maintain Child Support Compliance

Failure of SCVCA to maintain compliance with the requirements set forth in the Section identified as "Warranty Of Adherence To County's Child Support Compliance Program" of this Agreement, shall constitute a default by SCVCA under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the County may terminate this Agreement as herein provided.

10.27 Termination For Convenience

10.27.1 This Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to SCVCA specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be ten (10) days after the notice is sent and shall be specified in the notice.

10.27.2 After receipt of a notice of termination and except as otherwise directed by the County, the SCVCA shall:

- a. Stop work under this Agreement on the date and to the extent specified in such notice, and
- b. Complete performance of such part of the work as shall not have been terminated by such notice.

- 10.27.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the SCVCA under this Agreement shall be maintained by the SCVCA in accordance with Section 6.0 – Record Retention and Inspection / Audit Settlement.

10.28 Termination For Default

- 10.28.1 The County may, by written notice to the SCVCA, terminate the whole or any part of this Agreement, if, in the judgment of Director:
- a. SCVCA has materially breached this Agreement;
 - b. SCVCA fails to timely provide and/or satisfactorily perform any task, deliverable, service, payment, or other work required either under this Agreement ; or
 - c. SCVCA fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- 10.28.2 In the event that the County terminates this Agreement in whole or in part as provided in this Section, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The SCVCA shall be liable to the County for any and all excess costs incurred by the County, as determined by the Director, for such similar goods and services. The SCVCA shall continue the performance of this Agreement to the extent not terminated under the provisions of this sub-paragraph.
- 10.28.3 As a condition precedent to the termination of this Agreement, Director shall give SCVCA ten (10) days notice by registered or certified mail of the date set for cancellation thereof; the grounds therefor; and that an opportunity to be heard thereon will be

afforded on or before said termination date, if request is made therefor.

- 10.28.4 Except with respect to defaults of any contractor, the SCVCA shall not be liable for any such excess costs of the type identified in sub-paragraph hereinabove if its failure to perform this Agreement arises out of causes beyond the control and without the fault negligence of the SCVCA. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County, in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the SCVCA. If the failure to perform is caused by the default of a contractor, and if such default arises out of causes beyond the control of both the SCVCA and contractor, and without the fault or negligence of either of them, the SCVCA shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the contractor were obtainable from other sources in sufficient time to permit the SCVCA to meet the required performance schedule. As used in this sub-paragraph the terms "contractor" and "contractors" mean contractor(s) at any tier.
- 10.28.5 If, after the County has given notice of termination under the provisions of this Section it is determined by the County that the SCVCA was not in default under the provisions of this Section, or that the default was excusable under the provisions as hereinbefore described, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the provisions of the Termination for Convenience as provided for in this Agreement.
- 10.28.6 In the event the County terminates this Agreement in its entirety due to the SCVCA's default as provided in this Section, the

SCVCA and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the SCVCA and the County agree that the County shall, at its sole option and in lieu of the provisions of this Section be entitled to liquidated damages from the SCVCA, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the SCVCA to the County. These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Agreement, and the SCVCA's payment of these liquidated damages shall not in any way change, or affect the Indemnification provisions as provided for in this Agreement.

- 10.28.7 The rights and remedies of the County provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

10.29 Termination for Improper Consideration

- 10.29.1 County may, by written notice to SCVCA immediately terminate the right of SCVCA to proceed under this Agreement if it is found that consideration, in any form, was offered or given by SCVCA, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the SCVCA's performance pursuant to the Agreement in the event of such termination,

County shall be entitled to pursue the same remedies against SCVCA as it could pursue in the event of default by the SCVCA.

10.29.2 SCVCA shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861 or to such other number as may be provided to SCVCA in writing by County.

10.29.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

10.30 Termination for Non-Adherence of County Lobbyist Ordinance

SCVCA and each County Lobbyist or County Lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by SCVCA, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code 2.160. Failure on the part of SCVCA or any County Lobbyist or County lobbying firm retained by SCVCA to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

10.31 Termination Upon Transfer of Title or Park Closure

10.31.1 Notwithstanding any other provision of this Agreement, in the event the County transfers its interest in the William S. Hart Park and the premises to a governmental agency (assignee), the County reserves the right to: terminate this Agreement; or provided there is consent by an assignee, assign the County's interest in this Agreement to said assignee. County shall provide the SCVCA with notice of termination or assignment of this Agreement pursuant to this provision.

10.31.2 Notwithstanding any other provision of this Agreement, in the event the County closes William S. Hart Park, this Agreement shall be terminated upon the effective date of such closure.

10.32 Warranty Against Contingent Fees

- 10.32.1 SCVCA warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by SCVCA for the purposes of securing business.
- 10.32.1. For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

10.33 Waiver

- 10.33.1 No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.
- 10.33.2 No delay, failure, or omission of County to re-enter the premises or to exercise any right, power, privilege or option, arising from any default, nor any subsequent acceptance of payments then or thereafter accrued shall impair any such right, power, privilege or option, or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right.
- 10.33.3 No notice to SCVCA shall be required to restore or revive "time of the essence" after the waiver by County of any default.
- 10.33.4 No option, right, power, remedy or privilege of County shall be construed as being exhausted by the exercise thereof in one or

more instances. The rights, powers, options and remedies given County by this Agreement shall be cumulative.

10.34 Entire Agreement

This document and the exhibit(s) attached hereto, constitute the entire agreement between County and SCVCA for the authorized operations and use granted herein within William S. Hart County Park. All other agreements, promises and representations with respect thereto, other than contained herein, are expressly revoked, as it has been the intention of the parties to provide for a complete integration within the provisions of this document, and the Exhibit(s) attached hereto, the terms, conditions, promises and covenants relating to the SCVCA's operation and the premises to be used in the conduct thereof.

10.35 Authorization Warranty

The SCVCA represents and warrants that the person executing this Agreement for the SCVCA is an authorized agent who has actual authority to bind the SCVCA to each and every term, condition, and obligation of this Contract and that all requirements of the SCVCA have been fulfilled to provide such authority.

IN WITNESS WHEREOF the Santa Clarita Valley Committee on Aging has executed this Agreement, by its duly authorized officer, and the County of Los Angeles by order of its Board of Supervisors, has caused this Agreement to be executed on its behalf by the Chair of said Board, on the day and year first above written.

CONGREGATE MEALS

The Congregate Meals Program provides hot, nutritionally balanced meals for all senior citizens aged 60 and older. A Congregate Meal at the Center may be the only meal a senior citizen enjoys on any given day. Congregate Meals also allow for the vital component of socialization, so imperative in the lives of older people.

The SCVCOA was successful in providing more meals to our seniors in Fiscal Year 2003-2004 with delivery at five sites in our service area. The accompanying pie chart compares the service across these sites. Our growth this year reflects an increase of participants at our two contract sites in the City of San Fernando.

The SCVCOA strives to assist the frail elderly with transportation and escort service to attend Congregate Meal sites for the added component of socialization. Operating our own transportation system allows the SCVCOA to offer added services that are not available to the frail elderly from other communities.

Congregate meals funding has diminished significantly over a five-year time span. To accommodate the needs of our senior community, the SCVCOA has dedicated additional resources that augment service delivery by more than 30 percent both this fiscal year and last.

From top left: Volunteer Home-Delivered Meals driver Jim Andrews and HDM Coordinator Patty Bowen deliver meals to client Mabel Sanders.

At 100 years of age, Mabel is internet savvy—and as Jim puts it—a crocheting machine!

HOME-DELIVERED MEALS

The Home-Delivered Meals Program is designed to serve those seniors and other younger adults who by virtue of frailty or illness cannot adequately meet their own nutritional needs. In most cases, the average Home-Delivered Meal recipient is a home-bound woman or man (60-40 percent ratio), 75 years or older, and/or disabled. In many cases, our HDM driver is the only face-to-face contact our senior citizen may have aside from our Supportive Services staff.

We average 21 volunteer drivers delivering nearly 300 meals each day in the Santa Clarita Valley and two routes in the City of San Fernando for a total of seven routes.

The SCVCOA's commitment to never let a senior-in-need go without a meal is rare within the County of Los Angeles. Most agencies have a waiting list to serve seniors, often with months of waiting. It is thanks to our "Guardian Angel" JoAnne Darcy who initiated the Annual Wine Auction fundraiser for HDM and related programs that we are able to continue to live up to our commitment. Maintaining elders in their homes and avoiding premature institutionalization is a central tenet in the philosophy of the SCVCOA.

The HDM Program is augmented by the E.N.H.A.N.C.E. (Effective Nutritional Health Assessments and Networks of Care for the Elderly). ENHANCE provides for a licensed nutritionist to provide in-home evaluations for those who are at high risk and have specific nutritional needs that must be addressed.

The SCVCOA is committed to meeting the nutritional needs of our older frail residents, and unlike other similar agencies, refuses to utilize "waiting lists" for this service.

SUPPORTIVE SERVICES

The Supportive Services Department provides social services and programs that allow the older, more frail senior citizens to "age in place" in their own homes as long as appropriately possible. As a partner with the Los Angeles County Area Agency on Aging and Adult Protective Services, the SCVCOA is also now the primary service provider to functionally impaired adults, 18 years and older for the North Los Angeles County area.

Telephone Reassurance:

The Telephone Reassurance Program provides daily contact with homebound individuals who live alone to monitor their well being and activities of daily living.

Assessment & Care Management:

This is a time-intensive, comprehensive process of analyzing a person's needs and resources, then linking them to a full range of appropriate services. Care Management maximizes a supportive milieu of services for both the older person and their families. Our services are provided by professional gerontological staff.

Counseling Services:

To aid individuals having emotional difficulty coping with activities of daily living, professional counseling services are provided by a licensed professional M.A., M.F.T. with an extensive background in gerontological issues. Support groups and counseling are also available for adult children of aging parents who are dealing with aging issues in the extended family.

In-Home Visiting/ Peer Counseling:

This program is an adjunct to the professional services to home-bound senior citizens. Specially trained volunteers under supervision of professional staff, make routine in-home visits to provide counseling, friendship, support, and socialization to enhance our "aging in place" mission.

Respite Programs:

These provide individual and/or family counseling, and support groups for caregivers by a licensed professional. These services reduce stress, and provide caregivers the tools and knowledge to effectively support their dependent loved ones. Our respite programs also provide the caregivers much-needed time away from their responsibilities to attend to their own needs and activities.

Social Day Care:

This program is designed for individuals who suffer from Alzheimer's, memory impairment, post stroke, or other conditions of frailty that may require constant supervision. The program provides socialization and cognitive stimulation through activities of art, crafts, music, etc., in a warm supportive environment. This special program often delays or prevents certain debilitating aspects associated with disorders of the very frail elderly.

Information & Assistance:

Here's a multilevel program service that links individuals to opportunities and services throughout the Los Angeles County area.

Components of this program include: Information & Referral; Assistance with forms; Benefits Application; Durable Power of Attorney; Financial and Benefits Counseling and Advocacy; Legal Assistance; Tax Preparation, and Winter Energy Assistance.

Supportive Services staff shown above are, from left rear, Diamond Miller, Ida Wasser, Amy Dominguez, full-time volunteer Ruth Milne, (front) Mel Oxciano, and Donna Bennett. Not shown are Violet Gyongyos, Karin Kelly, Brenda Keyner, and Heather Zimmerman.

RECREATIONAL & EDUCATIONAL OPPORTUNITIES

The Santa Clarita Valley Senior Center strives to provide a wide and varied schedule of recreational and educational activities that reflect the various interests of our participants. Special programming for Health and Wellness activities that includes special interest groups, lectures, classes, consumer education, health fairs, and related activities grows in participation by an approximate 20 percent each year. An average day for the SCV Senior Center sees more than 750 individuals participate in one activity or another.

INTERGENERATIONAL ACTIVITIES & VOLUNTEERISM

The SCV Senior Center promotes intergenerational activities that engender an appreciation and sensitivity for the needs of older persons. All of the Center's activities and classes are open to all people age 18 and older. Bouquet Canyon Seniors, Canyon Country Seniors, and Castaic Lake Seniors offer expanded opportunities for those outreach activities that

enhance the community with programs such as "Stories of a Lifetime" in collaboration with the College of the Canyons' Service Learning Program that often appear in the pages of *The Magazine of Santa Clarita*.

The Agency provides a multitude of opportunities for volunteers to provide vital community service. Senior Center volunteers are central to pursuing our mission to provide independence, dignity, and quality of life to all the community at large. The SCV Senior Center actively recruits a culturally diverse volunteer workforce to serve the community.

TRIPS & TOURS

The Trips & Tours Department is a service provided by the Agency that organizes, schedules, and arranges for recreational and educational events ranging from day outings to long tours abroad. Trips & Tours participation was down in 2002-2003 as was all travel following 9-11. In Fiscal Year 2002-2003 we reorganized the department for better cost control while still providing activities where friends new and old experience life's adventures together. Those measures have paid benefits in Fiscal Year 2003-2004.

Get Creative!

Mary Lou Carragher's art classes are a given around here! At left from rear, Don Trout, George Watts, and Marina Marcelin Above, Mary Caldwell, and at right, instructor Mary Lou at the annual Senior Art Show & Sale.

Chip Johnson's Silvertone Singers & Rhythm Review is comprised of 31 people. There are several sub groups that perform together as well. They practice together once a week at the Bouquet Canyon Seniors building, but Chip also works with singers and sub groups individually. They perform multiple times a year.

Get Going!

Mary Lou Carragher's art classes also travel each year on enriching "Art Tours" to such far flung ports as Australia, Italy, Spain, and in 2004, an 800-mile riverboat cruise along the Rhine and Mosel Rivers touching seven countries.

The Center's Trips & Tours Department makes it easy and affordable for area seniors to enjoy themselves. We sponsor trips to museums and theaters, to shopping facilities outside the valley, to popular gaming establishments like Santa Anita Race Track, to festivals and amusements like Knott's Berry Farm, and longer tours to places like England or Branson, MO.

IRS NOTICE 1015

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. November 2002)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2002 investment income (such as interest and dividends) is over \$2,550.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2002 are less than \$34,178 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2003.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS Web Site at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2002 Instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2002 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2002 and owes no tax but is eligible for a credit of \$791, he or she must file a 2002 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2003 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15, Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

The parties hereto hereby certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.
 - b. SUBRECIPIENT shall send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of its commitments under said Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

SUBRECIPIENT shall not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract, unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these said regulations.

- d. Compliance with the provision of said Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department of Housing and Urban Development issued thereunder prior to the execution of this contract, shall be a condition of the Federal financial assistance provided to the Project, binding upon the CITY and COUNTY for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the CITY, the COUNTY, the SUBRECIPIENT and its subcontractors, its successors, and/or loan agreement or contract through which Federal assistance is provided to such sanctions as are specified by 24 CFR Part 135.

FORM HUD-4010 PROVISIONS (07/2003, ref. Handbook 1344.1):

Applicability: *The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.*

A. 1. (i) Minimum Wages. *All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.*

(ii) (a) *Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:*

- (1)*** *The work to be performed by the classification requested is not performed by*

a classification in the wage determination; and

- (2) The classification is utilized in the area by the construction industry; and*
- (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.*

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, provided, that the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. *HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the*

contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section l(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i). This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington, DC 20402. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the

contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

- (1) That the payroll for the payroll period contains the information required to be maintained under 29 CFR 5.5 (a)(3)(i) and that such information is correct and complete;*
- (2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;*
- (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.*

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees. *(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft*

classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

10. (i) Certification of Eligibility. *By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.*

11. Complaints, Proceedings, or Testimony by Employees. *No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be*

Santa Clarita Valley Senior Center

Program Description for an Addition to the Main Building

The proposed project will be sited east of the Main Building at the Senior Center, adjacent to the existing Multi-Purpose Room. Minor excavation into the toe of the up-slope on the east side of the addition will necessitate the construction of a low (approximately three feet high) retaining wall along that side of the addition. This earth retention construction will be incorporated into the building structure.

The addition will include three (3) Activity Rooms, each having an enclosed area of approximately 350 square feet.

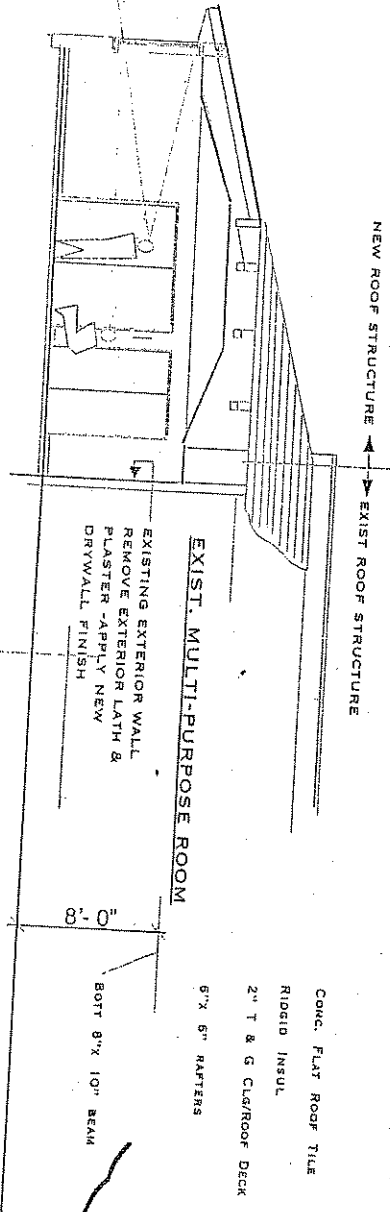

Access to and egress from, the proposed rooms will be provided both from the exterior and from the interior of the existing Multi-Purpose Room.

The three new rooms shall be arranged to function individually as well as together for a single event, and in conjunction with the existing Multi-purpose Room. One proposed room shall be arranged to also function as a small conference room with appropriate presentation facilities.

All rooms will be provided with heating, ventilation and air conditioning either through modification and extension of existing systems or by the installation of a new system to serve the addition.

Design of the addition shall be visually compatible with the existing building. Height of the addition roof shall match the existing adjacent building and roof overhangs and fascia will align. The addition will utilize similar construction materials and methods throughout, so as to present a unified appearance as well as integrated function, upon completion.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

• Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
